We invite everyone to attend the 2010 HPRR and enjoy the beauty of the Black Hills along with the many
activities of Rendezvous including shoots, seminars, camp activities and hawk / knife competition.

The HPRR site is set in the ponderosa pines of the Black Hills National Forest. Elevation is approximately
6400 feet so weather can vary considerably. Expect warm days and cool nights but be prepared for any and all
variations in weather.

Numerous historical and family attractions are located in or near the Black Hills. We encourage you to take
advantage of these many attractions by coming to the Black Hills area early or stay later. Or, if you must,
sneak away during Rendezvous to see such things as Mt. Rushmore, Crazy Horse and Custer State Park as
well as numerous other sights and attractions.

Registration form and map for the 2010 HPRR are on the back. Or go to <http://www.hprr.org/>
Plan now to attend. We'll see you June 2010.

This event is operated under a special use permit on the Black Hills National Forest
